Chandigarh, India

Ballistics Vidyalaya
CBSE(X) - Percentage - 90.2%

2020

Panchkula, India

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, C++, Java, Python, C, SQL, PHP

Frameworks: React.js, Node.js, Express.js, MySQL, MongoDB, TailwindCSS, Bootstrap

Tools: VS Code, Git/Github

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Network Security
- Artificial Intelligence
- Web Development
- Operating Systems
- Database Management System (DBMS)
- OOPS Concept

EXPERIENCE

Frontend Development (Internship) | Vectrium Ventures

March 2025 – April 2025

- Designed and developed a modern React-based frontend for Vectrium Ventures' official website.
- Collaborated with stakeholders to convert branding requirements into responsive web components.
- Managed GitHub repositories: pushed code, created branches, and performed pull requests for review.

PROJECTS

Chat Application | React, Tailwind CSS, JavaScript, MongoDB, Socket.IO, Zustand

Built a full-stack real-time chat application using React for the frontend and Socket.IO for real-time communication. The app features user authentication with JWT, global state management via Zustand, and a clean, responsive UI styled with Tailwind CSS. MongoDB is used for storing chat messages and user data, enabling seamless and persistent messaging functionality.

Netflix Clone | React, TailwindCSS, HTML, CSS, JavaScript, Firebase

A fully responsive web application, built using React, designed to replicate the Netflix user interface. It features Firebase authentication for secure login and signup. The app provides a seamless streaming-like experience.

[Live Link](#)

Notices | HTML, CSS, JavaScript, PHP, MySQL

Developed a web-based platform for efficient management of college notices and e-tenders, featuring secure user authentication, an admin panel with CRUD operations, and advanced search capabilities. The system allows administrators to post and organize content while ensuring easy and structured access for users. Planned enhancements include UI improvements and expanded reporting features for better data insights.

EXTRACURRICULAR

- Member of Official College Website Team.
- Design Head of ACM Student Chapter (College Technical Group).
- Solved 250+ Questions on Leetcode.
- Participated in SIH 2024.
